

Charles Street Envy

Bar & Club

Welcome to Charles Street Bar and Club Brighton's premier gay venue. On the ground floor, our seafront bar and restaurant with its outside terrace really is the place to see and be seen. As evening draws in, the ambience in the bar changes to a pre-club feel and upstairs Envy plays host to different clubnights - many of which are Brighton institutions! Watch out for our double-floor specials too!

During the day join us for lunch in the unique and stylish surroundings of the Charles Street Bar.

We have a great [food menu](#), ranging from light bites, sharers and complete three course meals, through to popular Sunday roasts. The contemporary surroundings are also a favourite with friends wanting to meet up for a freshly brewed coffee or something from the bar - treat yourself to a delicious cocktail or an extra cold beer!
