Club and Bar Revenge are Brighton's biggest and best LGBT entertainment venues!

Club Revenge is the place to let your hair down and party hard.

The biggest and most famous gay club in the south of England outside London, Revenge has been standing proud, just by Brighton's iconic Palace Pier for over 25 years, with two state-of-the-art dancefloors and a stunning rooftop smoking terrace.

Bar Revenge is the main club's little sister, open seven days a week from 11am 'til late. The Bar is a chameleon venue, transforming from a friendly attitude-free bar to a lively pre-clubbing hot-spot, with a party vibe 'til late on the nights when her big sister isn't open.

See you on the dance floor!
