

The Camelford Arms

The Camelford Arms has a simple approach - to be the sort of pub we would love to go to ourselves.

No loud music. No attitude. Where EVERYONE is welcome.

All we ask of our guests is that you are nice and friendly. (Ok, that last bit isn't completely accurate. We do also require that you are over 18 years of age. It isn't that we don't like children, rather this is a requirement of our licence).

**EVERYONE
WELCOME**

**AWARD
WINNING
PUB**
