

# National Diversity Awards

Celebrating **Unity** in Society

The deadline for this year's National Diversity Awards 2016 has now closed.

**The National Diversity Awards - a prestigious black tie event, which celebrates the excellent achievements of grass- root communities that tackle the issues in today's society, giving them recognition for their dedication and hard work.**

Charities, role models and community heroes will be honoured at the ceremony showcasing their outstanding devotion to enhancing equality, diversity and inclusion; thus embracing the excellence of all our citizens irrespective of race, faith, religion, gender, gender identity, sexual orientation, age, disability and culture.

The concept for the National Diversity Awards arose when The Diversity Group identified an urgent need for more positive role models to be actively promoted, with the aim to empower and inspire the wide breadth of diverse communities across the UK.

If ever there was a time to celebrate and elevate the truly staggering diversity of talent the UK has to offer, it is now - opportunities are thin, and deprived communities need motivation and inspiration.

These awards are for people who inspire other individuals through their work, through their commitment to helping others, through their infectious personalities and through adversity.

Each year a different city across the UK will be chosen to host the annual event. The awards thrived in Manchester for its launch, where diversity is amongst the cities greatest assets.

The 2013 ceremony was held in Leeds, representing the brilliant mix of communities in the heart of West Yorkshire. The diversity honour has also been passed onto London for the 2014 awards highlighting all that is great about our diverse nation.

Our nominees and award winners are an integral part of helping people in today's society to believe they can achieve their goals and ambitions, no matter what background you come from.

All of us here at The Diversity Group are proud to be working on such an incredible event filled with celebration and unity. It has been extraordinary to witness the inspiring stretch of role models that the UK has to offer, and see the unfolding journeys of Britain's most influential charities that often go unnoticed.

The UK has taken such an event to their hearts, with thousands of nominations being received each year, all of which focus on the unsung diversity heroes of our nation

The awards are on 16th September in Liverpool, details for tickets etc, can be found on the NDA website.

The more people who know about this fantastic celebration of diversity, the bigger impact we can make!
